I hereby verify that the gate cards listed above are for my official company use and will not be used by anyone who is not a licensed driver or properly authorized by the FCHOA Security Dept. I understand that any work involving digging or the removal of trees requires a work order. If damages occur due to not obtaining a work order, or trees removed without permission, I understand I may be responsible for paying for repairs of such damages or for the replacement of trees removed.

Failure to comply will result in the loss or suspension of gate card privileges and the eligibility to reapply.
